

Proposal Number	Proposal Cycle	Official Pass or Fail	Purpose of Proposal	Submitted by	Research collaboration among 2 or more laboratories	Proposal developed by government labs only (1), non-government labs only (2), combination of government and non-government (3)
8	2001-02	Pass	Change pure seed definition of bermudagrass and giant bermudagrass	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
9	2001-02	Pass	Add new media method to section 4.9a. Substrata	Iowa State Seed Lab & Mid-West Seed Services	Yes	3
10	2001-02	Pass	Add new substratum for <i>Glycine max</i>	Iowa State Seed Lab & Mid-West Seed Services	Yes	3
11	2001-02	Pass	Add new substratum for <i>Zea mays</i>	Iowa State Seed Lab & Mid-West Seed Services	Yes	3
12	2001-02	Pass	Remove prechill requirement for fresh & dormant seed and remove KNO3 as moistening agent for <i>Andropogon gerardii</i>	Native Seed Working Group, Tim Gutormson, Mid-West Seed Services	Yes	3
13	2001-02	Pass	Remove prechill requirement for fresh & dormant seed and remove KNO3 as moistening agent for <i>Schizachyrium scoparium</i>	Native Seed Working Group, Tim Gutormson, Mid-West Seed Services	Yes	3
14	2001-02	Pass	Remove prechill requirement for fresh & dormant seed and remove KNO3 as moistening agent for <i>Sorghastrum nutans</i>	Native Seed Working Group, Tim Gutormson, Mid-West Seed Services	Yes	3
15	2001-02	Pass	Delete 20 degrees C for germination of <i>Tritilium vesiculosum</i>	Agri-Seed Testing, Sharon Davidson	No	2
16	2001-02	Fail	Add procedures for herbicide trait testing of seedlings	Mid-West Seed Services, Tim Gutormson	No	3
17	2001-02	Fail	Add procedures for detection of Roundup Ready gene in soybeans	Illinois State Seed Lab, Jim Lair	Yes	3
18	2001-02	Pass	Add procedure for grow-out of fluorescent ryegrass seedlings	Oregon State Seed Lab, Adriel Garay & Sabry Elias	Yes	3
1	2000-01	Pass	To specify which listing in Table 3 to use when both genus and species and genus spp. is listed	North Dakota State Seed Lab, Mark Hardahl	No	1
2	2000-01	Pass	Add "oregano" as a common name for <i>Origanum vulgare</i> in Handbook 25	Ransom Seed Lab, Sue Alvarez	No	2
3	2000-01	Pass	Add <i>Penstemon penlandii</i> to Handbook 25	Ransom Seed Lab, Sue Alvarez	No	2
4	2000-01	Pass	Correct common names listed in Rules and Handbook 25 for <i>Saponaria ocyroides</i>	Ransom Seed Lab, Sue Alvarez	No	2
5	2000-01	Pass	Amend additional directions in Table 3 for <i>Erodium cicutarium</i> to include hard seed	Ransom Seed Lab, Sue Alvarez	No	2
6	2000-01	Pass	Add common names for species in Handbook 25	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
7	2000-01	Pass	Clarification of AOSA Handbook 25 as part of Rules	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3

Proposal Number	Proposal Cycle	Official Pass or Fail	Purpose of Proposal	Submitted by	Research collaboration among 2 or more laboratories	Proposal developed by government labs only (1), non-government labs only (2), combination of government and non-government (3)
8	2000-01	Pass	Add noxious weed species to Handbook 25	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
9	2000-01	Pass	Correct omission of <i>Elysinum hieracifolium</i> from the classification table of the 1999 revision of Handbook 25	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
10	2000-01	Pass	Add minimum working weights for <i>Thymus vulgaris</i> to Table 1	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
11	2000-01	Pass	Eliminate the exclusion of weedy species in the definition of revegetation and rangeland (R) in Handbook 25	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
12	2000-01	Pass	Add minimum working weights for <i>Mattiola incana</i> to Table 1	Ransom Seed Lab, Donna Grubisic	No	2
13	2000-01	Pass	Add minimum working weights for 28 species to Table 1	New York State Seed Lab, Ellen Chirco and Ransom Seed Lab, Donna Grubisic	Yes	3
14	2000-01	Pass	Add minimum working weights for 4 species to Table 1	Northeast Seed Analysts Workshop participants, Ellen Chirco, New York State Seed Lab	Yes	3
15	2000-01	Pass	Add minimum working weights for <i>Helipopsis helianthoides</i> to Table 1	WI Crop Improvement, Tanis Cuff and New York State Seed Lab, Ellen Chirco	Yes	3
16	2000-01	Pass	Add multiple floret factors for hard and sheep fescue	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
17	2000-01	Pass	Add seedling descriptions for Solanaceae – pepper, tomato and husk tomato to Seedling Evaluation Handbook	Ransom Seed Lab, Aieta Meyer and Sue Alvarez	Yes	2
18	2000-01	Pass	Add seedling descriptions for Solanaceae – kinds other than pepper, tomato and husk tomato	Ransom Seed Lab, Aieta Meyer and Sue Alvarez	Yes	2
19	2000-01	Pass	Add seedling descriptions for Caryophyllaceae, Primulaceae, Scrophulariaceae and Violaceae to the Seedling Evaluation Handbook	Ransom Seed Lab, Aieta Meyer and Sue Alvarez	Yes	2
20a	2000-01	Pass	Add the new TZ Handbook to section 4.9k(2) listing references for TZ testing methods and to correct the citation format of 4.9k(2) and to amend section 7	USDA-ARS-NSSL, Annette Miller	No	1
20B	2000-01	Withdrawn	Add the new TZ Handbook to section 4.9k(2) listing references for TZ testing methods and to correct the citation format of 4.9k(2) and to amend section 7	USDA-ARS-NSSL, Annette Miller	No	1
21	2000-01	Pass	Add working weights for 3 species to Table 1	Front Range Seed Analysts, Annette Miller, USDA-ARS-NSSL	Yes	3
22	2000-01	Pass	Add seedling descriptions for Apiaceae to the Seedling Evaluation Handbook	Ransom Seed Lab, Aieta Meyer and Sue Alvarez	Yes	2

Proposal Number	Proposal Cycle	Official Pass or Fail	Purpose of Proposal	Submitted by	Research collaboration among 2 or more laboratories	Proposal developed by government labs only (1), non-government labs only (2), combination of government and non-government (3)
23	2000-01	Pass	Add seedling descriptions for Balsaminaceae to the Seedling Evaluation Handbook	Ransom Seed Lab, Aleta Meyer and Sue Alvarez	Yes	2
24	2000-01	Pass	Modify seedling description for the leaf and coleoptile of corn	AOSA/ISTA Harmonization Committee, Loren Wiesner, USDA-ARS-NSSL and Doug Ashton, Canadian Food Inspection Agency	Yes	3
25	2000-01	Pass	Update classification of 12 species in Handbook 25	U.S. Forest Service, Rocky Mt. Research Station Shrub Sciences Lab, Stanley Kitchen	No	1
26	2000-01	Pass	Update classification of 15 species in Handbook 25	U.S. Forest Service, Rocky Mt. Research Station Shrub Sciences Lab, Stanley Kitchen	No	1
27	2000-01	Pass	Reclassification of <i>Cleome serrulata</i> in Handbook 25 and add working weights and germination methods to the rules	U.S. Forest Service, Rocky Mt. Research Station Shrub Sciences Lab, Stanley Kitchen and Utah State Division of Wildlife Resources, Great Basin Research Center, Scott Walker	Yes	3
28	2000-01	Pass	Reclassification of <i>Hellomera multiflora</i> in Handbook 25 and add working weights and germination methods to the rules	U.S. Forest Service, Rocky Mt. Research Station Shrub Sciences Lab, Stanley Kitchen and Utah State Division of Wildlife Resources, Great Basin Research Center, Scott Walker	Yes	3
29	2000-01	Pass	Reclassification of <i>Linum lewisii</i> in Handbook 25 and add working weights and germination methods to the rules	U.S. Forest Service, Rocky Mt. Research Station Shrub Sciences Lab, Stanley Kitchen and Susan Meyer	No	1
30	2000-01	Pass	Add working weights for 6 species to Table 1	Northeast Seed Analysis Workshop participants, Ellen Chirco	Yes	3
1	1999-2000	Pass	Seed count procedure for corn and soybean	USDA – Federal Seed Lab, Richard Payne	Yes	3
2	1999-2000	Pass	Change working weights for <i>Apium graveolens</i> in Table 1	Ransom Seed Lab, Donna Grubisic	No	2
3	1999-2000	Pass	Amend instructions for paired tests to include non-woody species and multiple prechill treatments	U.S. Forest Service, Rocky Mt. Research Station Shrub Sciences Lab, Stanley Kitchen and Susan Meyer, Utah State	Yes	1
