

Sponsor Packet

Welcome Sponsors!

Each year the AOSA & SCST Joint Annual Meeting brings together hundreds of seed analysts, technologists, and scientists from both the United States and Canada with a common goal to further advance seed testing and research. These professionals serve you by providing seed testing information which enables you to sell, market, and to export your seed around the world. Their work is an integral part of our thriving and expanding industry.

On behalf of both the AOSA & SCST, we cordially invite you to take part in this year's meeting. There are a number of opportunities available for you to contribute to the overall success of this year's event. Additionally, you will have a chance to increase the visibility of your company amongst the AOSA & SCST memberships.

Sponsorships are available for the following:

- General Meeting Sponsorship
- Poster Session Reception
- Tour Sponsor
- Coffee and Break Sponsorship

Contributions may also be provided through promotional items such as pens, caps, coffee mugs, etc., with your business' logo and information to be dispersed to all meeting attendees. Sponsors will be recognized as noted in each corresponding option on the meeting website, in the meeting program, as well as during the event.

Also available are opportunities to serve as an Exhibitor at this year's meeting. You can find information on booth opportunities on the meeting website.

We appreciate your support!
