

Proposal Number	Proposal Cycle	Official Pass or Fail	Purpose of Proposal	Submitted by	Research collaboration among 2 or more laboratories	Proposal developed by government labs only (1), non-government labs only (2), combination of government and non-government (3)
23	2000-01	Pass	Add seedling descriptions for Balsaminaceae to the Seedling Evaluation Handbook	Ransom Seed Lab, Aleta Meyr and Sue Alvarez	Yes	2
24	2000-01	Pass	Modify seedling description for the leaf and coleoptile of corn	AOSA/ISTA Harmonization Committee, Loren Wiesner, USDA-ARS-NSSL and Doug Ashton, Canadian Food Inspection Agency	Yes	3
25	2000-01	Pass	Update classification of 12 species in Handbook 25	U.S. Forest Service, Rocky Mt. Research Station Shrub Sciences Lab, Stanley Kitchen	No	1
26	2000-01	Pass	Update classification of 15 species in Handbook 25	U.S. Forest Service, Rocky Mt. Research Station Shrub Sciences Lab, Stanley Kitchen	No	1
27	2000-01	Pass	Reclassification of <i>Cleome serrulata</i> in Handbook 25 and add working weights and germination methods to the rules	U.S. Forest Service, Rocky Mt. Research Station Shrub Sciences Lab, Stanley Kitchen and Utah State Division of Wildlife Resources, Great Basin Research Center, Scott Walker	Yes	3
28	2000-01	Pass	Reclassification of <i>Heliotermis multiflora</i> in Handbook 25 and add working weights and germination methods to the rules	U.S. Forest Service, Rocky Mt. Research Station Shrub Sciences Lab, Stanley Kitchen and Utah State Division of Wildlife Resources, Great Basin Research Center, Scott Walker	Yes	3
29	2000-01	Pass	Reclassification of <i>Linum lewisii</i> in Handbook 25 and add working weights and germination methods to the rules	U.S. Forest Service, Rocky Mt. Research Station Shrub Sciences Lab, Stanley Kitchen and Susan Meyer	No	1
30	2000-01	Pass	Add working weights for 6 species to Table 1	Northeast Seed Analysis Workshop participants, Ellen Chico	Yes	3
1	1999-2000	Pass	Seed count procedure for corn and soybean	USDA – Federal Seed Lab, Richard Payne	Yes	3
2	1999-2000	Pass	Change working weights for <i>Apium graveolens</i> in Table 1	Ransom Seed Lab, Donna Grubisic	No	2
3	1999-2000	Pass	Amend instructions for paired tests to include non-woody species and multiple prechill treatments	U.S. Forest Service, Rocky Mt. Research Station Shrub Sciences Lab, Stanley Kitchen and Susan Meyer, Utah State	Yes	1

Proposal Number	Proposal Cycle	Official Pass or Fail	Purpose of Proposal	Submitted by	Research collaboration among 2 or more laboratories	Proposal developed by government labs only (1), non-government labs only (2), combination of government and non-government (3)
4	1999-2000	Pass	Add working weighs for <i>Penstemon eatonii</i> and <i>P. palmeri</i> to Table 1	U.S. Forest Service, Rocky Mt. Research Station Shrub Sciences Lab, Stanley Kitchen and Susan Meyer, Utah State Division of Wildlife Resources, Great Basin Research Center, Scott Walker, Utah State Seed Lab, Richard Wilson	Yes	1
5	1999-2000	Pass	Add sand as a germination test substratum for sunflower	Mid-West Seed Services, Tim Gutormson	Yes	2
6	1999-2000	Pass	Add minimum working weights for <i>Carum carvi</i> to Table 1	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
7	1999-2000	Pass	Add minimum working weights for <i>Foeniculum vulgare</i> to Table 1	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
8	1999-2000	Pass	Add minimum working weights for <i>Melissa officinalis</i> to Table 1 and correct common name	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
9	1999-2000	Pass	Add minimum working weights for <i>Nepeeta cataria</i> to Table 1	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
10	1999-2000	Pass	Change seed unit definition for <i>Lolium x hybridum</i> and <i>Festuca pratensis</i>	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
11	1999-2000	Pass	Update seed unit definitions for Dipsacaceae	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
12	1999-2000	Pass	Update seed unit definition for some members of Fabaceae	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
13	1999-2000	Pass	Update seed unit definition for some members of Malvaceae	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
14	1999-2000	Pass	Update seed unit definition for <i>Mimosa pudica</i> and <i>Desmodium tortuosum</i>	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
15	1999-2000	Pass	Correction of Handbook 25 species classification for <i>Parthenium argentatum</i>	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
16	1999-2000	Pass	Correction of common name for <i>Alnus viridis</i> in Handbook 25	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
17	1999-2000	Pass	Correct confused nomenclature and associated common names for <i>Maclurastrera canescens</i> and <i>M. pinnatifida</i>	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3

Proposal Number	Proposal Cycle	Official Pass or Fail	Purpose of Proposal	Submitted by	Research collaboration among 2 or more laboratories	Proposal developed by government labs only (1), non-government labs only (2), combination of government and non-government (3)
18	1999-2000	Pass	Addition of <i>Myosotis sylvatica</i> Ehrh. ex Hoffm., wood or garden forget-me-not to Handbook 25 as a means to correct the misapplication of <i>Myosotis alpestris</i> F.W. Schmidt, alpine forget-me-not to common cultivated varieties	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
19	1999-2000	Pass	Correct omission of <i>Taenatherum capuli-medusae</i> subsp. <i>asperum</i> from the classification table of the 1993 version of Handbook 25	Purity Subcommittee, D. Meyer, CA State Seed Lab	Yes	3
20	1999-2000	Pass	Change species classification of 32 species in Handbook 25	Ransom Seed Lab, Sue Alvarez	No	2
21	1999-2000	Pass	Amend common name for <i>Eruca sativa</i> in Table 3 and add species to Handbook 25	Illinois State Seed Lab, Jim Lair and USDA Federal Seed Lab, Susan Maxon	Yes	1
22	1999-2000	Pass	Change germination final count days for Kentucky Bluegrass	Agri Seed Testing, Sharon Davidson	Yes	2
1	1998-1999	Pass	Add procedure for seed count to determine proper working weight for species not listed in Table 1	New York State Seed Lab, Ellen Chirco & Joyce Wicksall	No	1
2	1998-1999	Pass	Add working weights for 23 species to Table 1	New York State Seed Lab, Ellen Chirco & Joyce Wicksall	No	1
3	1998-1999	Pass	Adjust working weights of 24 tree species in Table 1	Tree & Shrub Subcommittee, Gary Johnson, National Tree Seed Lab	No	1
4	1998-1999	Pass	Add <i>Lespedeza thumbergii</i> to Handbook 25	Georgia State Seed Lab, Aida Galarza	No	1
5	1998-1999	Pass	Add <i>Lespedeza virgata</i> to Handbook 25	Georgia State Seed Lab, Aida Galarza	No	1
6	1998-1999	Pass	Add <i>Aeschynomene americana</i> to Handbook 25	Georgia State Seed Lab, Aida Galarza	No	1
7	1998-1999	Pass	Add <i>Stenotaphrum secundatum</i> to Handbook 25	Georgia State Seed Lab, Aida Galarza	No	1
8	1998-1999	Pass	Add working weights and germination procedures for <i>Hesperostipa comata</i> to Tables 1 and 3	U.S. Forest Service, Rocky Mt. Research Station Shrub Sciences Lab, Stanley Kitchen, Utah State Division of Wildlife Resources, Great Basin Research Center, Scott Walker, Utah State Seed Lab, Richard Wilson	Yes	3
