

USDA Seed School

Gastonia, NC

2025

Laboratory contact information (address, phone, email):

Name(s), years of experience, and email addresses of analyst(s) attending:

Topics you would like to have covered. (please note that due to time constraints not all suggested topics will be covered):

We are offering 2 schools, May 28 – 30 and August 4 - 6. The exams are August 7-8. We are giving priority for the August class to those taking the exam. Please indicate:

- Which dates do you prefer?
- Can you attend the alternate dates if your first choice is full?
- Are you planning to take either exam?

Please return form to: Todd Erickson, todd.erickson@ams.usda.gov
